COMENIUS PROJECT EVALUATION

Course 2010 / 2011

Date: Tuesday, November 16, 2010

## SPANISH EVALUATION OF THE COMENIUS PROJECT IN CREIL

### STRONG POINTS

- Good organization of the dairy agenda at the school
- Very nice welcome of teacher's staff, vice-principal and principal
- Excellent host teachers
- Meetings to evaluate and to organize the project were judged positively

### WEAK POINTS

- The work to do was not clear enough
- We found a lack of activities to improve the relationship between all the involved students
- The work at school was a bit slow and internet did not work properly
- It would be interesting to visit Creil
